On the Clinton St side of this home, neighbor says resident at 602 N Virgil Ave discarded these items here, says their yard is a hoarders collection of junk, flies and rats.

Can you request BS inspect?

I will send a request to LA Conservation Corps for the sidewalk right of way area.

Thanks,

Hi George, please have resident be in compliance within our Bulky item collection guidelines. The loose bags of trash go in the household receptacle along with the loose debris scattered around, the weeds need to be tied up and bundled no more than 30lbs and 4' in length..let me know when its ready to collect and I will gladly coordinate this for collection.

George, the other option is to report this address to our Watershed Protection division , they enforce illegally dumped trash at a specific address.

The 2 Supervisors you may contact are Adam / Kattie
